Virtual Endangered Species Event

Freshwater Land Trust invites you to an all-day virtual event with expert speakers presenting on endangered species in Alabama (Watercress, Vermilion, and Rush darters, mussels, snails, crayfish) and related topics like species listings and climate change.

Speakers:

Jenna King (U.S. Fish and Wildlife Service)
Morgan Brizendine (U.S. Fish and Wildlife Service)
Dr. Rebecca Bearden (Geological Survey of Alabama)
Dr. Scot Duncan (Birmingham Southern College)
Dr. Bernie Kuhajda (Tennessee Aquarium
Conservation Institute)
Dylan Shaw (Alabama Power Company)
Rollins Jolly (USDA)
Charles Yeager (Turkey Creek Nature Preserve)
Dr. Pat O'Neil (Geological Survey of Alabama)

The event kicks off on Zoom at 9am on Dec 8th. [Register here.](#)

You are welcome to drop in for any session throughout the day.
